Aug 31, 2014 You do this wrong. It's done on the same server/group you played previous. The only things that mess it up is disconnect and internet dying/failure. Oct 23, 2014 I'm new so I have no idea how the xbox version plays, but a quick google search of 'Ghost Recon Future Soldier server' produced this site If anyone knows any

other sites that have active servers, you can let me know. I'd also like to know what ports to use. It looks like I am required to use sm_default, which I assume is the PC version. Thanks Dec 30, 2016 the game is not very good in co-op with all bugs and glitches. Co-op works for 1 week and no one can connect the game at all. it hangs all the time and only server is online i can join but not others i can't join. Please help i don't want to buy the game. Dec 23, 2016 Trying to play co-op, and I am the host and my friend is the guest. when hosting I can join and play fine. my friend can join my lobby and when I allow him to host, he can't join any lobby. I think it's a server problem and the host is trying to host and the host does not have the people. Jan 7, 2017 Can someone pls tell me how to play co-op with players on different games, a friend and i want to play halo 2, and also xbox live, pc master server ba244e880a
