## Far Cry 3 - 100% Save - SIMPLY CLICK BENEATH HERETIC

Far Cry 3 Save File Download? This is a comprehensive guide to Far Cry 3 Save Files, offering detailed step-by-step instructions. Related images:. Contains descriptions of every piece of content in the game. Sep 11, 2014 But to be honest I don't know much about how many saves are there, but you can, of course, bypass the Uplay save file ^^ You have Uplay installed ? Nope, I am assuming you dont, as that will of course screw up your saves If you are on windows and you have Uplay installed on the computer when you install you save file, the Uplay wont be installed to the memory card and it wont load your save files at all. You need to use the offline save file, go to the folder the offline save file is located and copy and paste the file. Please note that you can only have 3 save files in your Uplay account so if you get a game where you have to restart your game you will lose all your progress and the ability to load the save file that time around. The save files for Far Cry 3 are located as below. Step-by-step save files with various progress Total saves 7 Missions 7/7 Garrisons 13/13 Skill Gained 30/30 Predator's Path 8/8 . How to do it: (Guide) Oct 14, 2011 in 6 0la Uplay saved my save, so then I got new, and I put it on the uPlay, and it didn't work.. So you can do what ever you want on. Uplay saves but Game saves don't??? There is an option that is called "Offline Game" in. Right click on the game and choose Properties. Go to the tab "Previous Versions". If you see a yellow exclamation mark on the right of the number, then one of your saves is in Offline mode. Go to the "Online" tab and click the "Turn OFF" button. This will turn off your online mode. Now, copy and paste your save into your account's save folder. Choose "Restore Offline Game" from the menu and confirm. You should then be able to play your save file. The only thing is that you can't use the following save functions: Save Games, Enemy Intelligence, Battle Missions, War Missions, Outposts, Nuketown, Outskirts or Gatling Locations. How
