Gram

Bhagwan is one of the name of God in
Hinduism. He is the male counterpart of God
in Hinduism. Om is the final sound of
Bhagwan. Om is considered to be the very
first mantra. Om is the root mantra (Mantra)
for Jwala, the 'great' God of Hinduism. Om
and Om are two names of Bhagwan. A
person with the name Om is therefore called
an Om or a Bhagwan-Om. OM is also known

as an Aum, which is the sacred sound of Hinduism. The most important and commonly used mantra is Om. It is the mantra for Shri Rama as well. Om is used in chanting shiv mantra for Rama. It is also used as name of the deity. Usually, the Bhagwan is given the name Shree and/or Om and Rama, or other related Sanskrit words, but other names can be used, such as Om-Kumar or Om-Shant. Om or Shree can be used to refer to the deities with these names. Om is the end of Vedas and a very ancient Sanskrit word meaning "the ultimate". In the case of Om it is used as a syllable of the final mantra of the Rigveda. Om is the first mantra used in the scriptures of Hinduism. Om is usually used to represent or signify the supreme deity. This is the case of the Upanishads, where this syllable is used to denote the oneness of

Brahman or God, in the case of the Vedas. Om is also used in the name of all deities and other names. Guru is the generic term for a spiritual teacher or spiritual guide. Guru is often used in the context of a religious guru (in Hinduism). In the context of deities, the name Guru is commonly used for Rama.

Guru is the male counterpart of God in Hinduism. He is the deity of the sky (Sri Rama, Srimanta Balaram), Air (Ganesh), Lake (Nanda Baba), Fire (Krishna), Yantra (Buddha), Land (Shiva), Earth (Vishnu), Water (Varuna), and is the father of Brahma.

He is one of the seven aspects of the Supreme Soul. He is the teacher, the judge, and the ruler of all beings. Om/Shree/
