Category: Microsoft software had the opportunity to talk to Pol Pot, the notorious dictator of Cambodia in the 1970s. A bearded guy wrapped in a yellow garment appeared at my hotel window with a box of candies. He was Pol Pot, as I later learned. He was waiting for me to buy candy for him. I asked the front desk what was going on. No one knew. We were in the middle of the Cambodian capital of Phnom Penh. After the purchase of the candy, Pol Pot 3ef4e8ef8d
