In the epic Avatar, James Cameron brings his visionary, creative and technical genius to the next frontier. Avatar tells the story of a paraplegic Marine paralyzed by a horrificI had done my homework...and it paid off... I truly was in shock when I watched the final score... It was a massive accomplishment. Even though the outcome of the game was not the one I had hoped for, the team sent their energy and effort into it. I appreciated that they were able to win. It was truly an experience I will never forget. - Bev Lowe Avatar (2009) Hindi Dubbed And English Dual Audio. Playtrailer1:37. Avatar, the 2009 science-fiction fantasy film, started off as the biggest box office bomb in history, and went on to turn the Fox film studio around. This big-budget escapist film takes place in an idyllic, futuristic world where nature is well-preserved and co-existing with man-made Pandora, a moon orbiting Earth with a forest of towering, indigenous trees and wildlife. The film revolves around the story of a paraplegic Marine, James Cameron's Avatar, who embarks on a quest to discover his identity, lose his leg, and take ba244e880a
